

Resolution Duly Approved by the
Métis Nation-Saskatchewan
Provincial Métis Council on November 9, 2019
#191109-03

Developing a Subsidized Housing Program for Senior Citizens

WHEREAS safe and affordable housing provides the foundation for individuals and families to be connected to their communities and enables them to be full participants in society and the economy;

WHEREAS the Métis Nation – Saskatchewan (MN-S) seeks to expand the MN-S Housing Strategy to address the housing needs of one of the most important populations of the MN-S (the “Elders”);

WHEREAS ensuring that Elders have access to suitable and affordable housing is a key component of actualizing the goal of the Métis Nation Housing Strategy to reduce the core housing needs of Métis citizens; and

BE IT RESOLVED that the Ministry of Housing be authorized to develop a pilot project to further advance the MN-S Housing Strategy by developing and testing an approach to providing affordable and suitable housing for seniors with a model home to be built, but not to exceed \$225,000; and

BE IT FURTHER RESOLVED that following this pilot project, the Minister of Housing report to the Provincial Métis Council on its results and present a proposal on the development a strategy for its potential implementation across the MN-S.
