

Resolution Duly Approved by the
Métis Nation-Saskatchewan
Provincial Métis Council on November 15, 2021
#211115-10

**Prohibiting PMC with Portfolios and Ministerial Responsibilities from Outside
Employment / Approving Compensation Levels**

WHEREAS the elected members of the Provincial Métis Council (PMC) form the Cabinet of the Métis Nation – Saskatchewan (MN-S) government and make decisions affecting the rights and interests of the MN-S and its citizens;

WHEREAS it is desirable for members of the PMC to devote their time, energy and focus entirely on the betterment of the MN-S; and

WHEREAS it is desirable that members of the PMC be compensated fairly for their devotion, time and efforts in furthering the best interests of the MN-S;

NOW THEREFORE BE IT RESOLVED that members of the PMC at this duly convened meeting of November 15, 2021, do hereby direct that all members of the PMC who accept portfolios and who assume associated ministerial responsibilities are expected to devote themselves entirely to the pursuits of the MN-S and are prohibited from holding outside employment; and

BE IT FURTHER RESOLVED that subject to the aforementioned condition, members of the PMC do hereby approve of the following compensation structure for PMC members holding ministerial portfolios:

- A. Except for the Vice-President and the President of the MN-S, members of the PMC with ministerial responsibilities shall be compensated \$151,921.00 annually, representing a \$51,253.00 increase from their current annual rate of compensation;
- B. The Vice-President shall be compensated \$184,867.00, representing a \$25,626.00 increase from their current annual rate of compensation; and
- C. The President shall be compensated \$199,511.00 annually, representing a \$25,626.00 increase from their current annual rate of compensation.
