

Office of the Provincial President

TO: Billy Kennedy, Representative, Western Region 1A

FROM: Glen McCallum, President

SUBJECT: MANDATE as Minister of Housing and Homelessness

DATE: June 18, 2026

Dear Minister Kennedy,

Maarsii, thank you for agreeing to serve the Métis Nation–Saskatchewan (MN–S) as Minister of Housing and Homelessness. In 2025, our citizens elected a new government to stand up for our Métis citizens and to build a strong government that works for everyone. As members of this Provincial Métis Council, we must fulfill this mandate with purpose and force. We must meet a series of unprecedented challenges with a disciplined focus on core priorities. Our journey to self-determination and self-government is grounded in building a governance system that reflects our unique identity, culture, values, and languages. As representatives of this government, you must stay focused on who we are and how we build a government that reflects that. Our distinction-based plan sets the direction by creating delivery systems that are uniquely Métis while ensuring our work remains rooted in our identity as a people.

This mandate letter describes your responsibilities and priorities moving forward. As accountability and transparency are the cornerstones of good government, I am making these letters public, so all citizens are informed of how their government is working for them.

As Minister, your role is to support the President in building a Métis distinct government and advancing the implementation of our distinctions-based plan. In a landscape that involves federal, provincial, and community systems, your leadership, coordination, and advocacy will help strengthen access to safe,

affordable, and culturally appropriate housing, while supporting efforts to reduce and prevent homelessness among Métis citizens.

Ministers are expected to carry out their responsibilities on behalf of the President, exercising delegated authority with accountability and transparency. A meeting process will be established to support coordinated decision-making and provide Ministers with regular opportunities to update colleagues on progress and emerging issues. Ministers will report back to the President through this process, ensuring alignment with our distinctions-based priorities.

Ministerial Responsibilities

I expect you to work constructively with all members of the PMC, MN-S staff, and citizens to deliver on the MN-S priorities. This includes advancing the collective priorities set out in our Distinctions Based Focus Plan (DBFP) which charts a Métis-distinct path forward for the MN-S government based on the priorities of Elders, citizens, and the PMC.

As Minister, you are responsible for the following areas:

- All aspects of the housing continuum, including homelessness;
- MN-S Inclusion in Provincial and Federal Initiatives focused on housing and homelessness (e.x. Build Canada Homes and Reaching Home).
- Work collaboratively with the Minister of Intergovernmental Affairs, to advance coordinated engagement with Indigenous, federal, provincial, and municipal governments;
- Regular reporting to myself as the President, MN-S, on the status of your ministerial responsibilities.

Priorities

In addition to the collective priorities in the Distinctions-Based Focus Plan, you will have specific ministerial priorities, which are outlined below:

- Advocate to close the housing and utilities infrastructure gaps between non-

Indigenous Canadians and Métis citizens in Saskatchewan and ensure that all Métis citizens have access to safe living conditions;

- Increase the Métis housing stock across the Province;
- Reduce the number of citizens experiencing or at risk of experiencing homelessness;
- Increase the number of Métis homeowners in Saskatchewan;
- Increase the number of housing units designated for Métis Elders;
- Support the development of housing strategies focused on the realities faced by different communities (northern, urban, rural, etc).
- Support the continuation and expansion of essential MN-S housing programs;
- Work to ensure that existing Métis homeowners in need have continued access to programs that support the improvement and emergency maintenance of their homes;
- Ensure that MN-S is included in all federal and provincial programs and initiatives focused on providing funding for housing and homelessness (ex. Building Canada Homes and Reaching Home)
- Support the President in preparing your portfolio for MN–S Self-Government Agreement (treaty) implementation and in building a Metis distinct government.

Working Together

We must deliver for our citizens as we exercise our inherent right to self-determination, including our right of self-government. Achieving these objectives will require collaboration and coordination with other ministers, as well as working closely with the Regions, Locals, and MN–S staff.

Ministers are expected to empower and support the public service to operationalize their vision through effective planning, clear direction, and disciplined execution aligned with

DBFP principles. This includes fostering a respectful, professional partnership where public servants are enabled to apply their expertise to translate priorities into actionable programs and results. Ministers will rely on the public service as a trusted team of technical experts to design, implement, and continuously improve outcomes on behalf of MN-S.

In addressing the tasks before us, we must remain true to what makes us distinct as Métis people. Our identity, culture, values, and language: these things we must keep in mind as they direct our work. MN-S is a dynamic government that celebrates our Elders children and youth, cares for the most vulnerable among us, and strives for a better future for all citizens. If we work together, we can ensure a strong, healthy, vibrant future for all Métis in Saskatchewan.
