BE IT RESOLVED that given the lack of funding to the Métis Nation – Saskatchewan (MN-S) and the lack of funding to the MN-S and the formal announcement of President Doucette to close the MN-S Head Office;

The members of the Registry Committee shall be: Tammy Mah, Lela Arnold, Chester Herman, and Gerald Morin; and further

That the Registry Committee shall immediately seize and secure all records of the MN-S Registry, Genealogy and Archives. Any such records seized and secured shall be taken to and held by the Gabriel Dumont Institute (GDI) in trust, in partnership with the PMC, ensuring that the Registry Committee maintains control of and access to the records and operation of the Registry, under the instruction of the PMC, until such time as the PMC orders otherwise.
