#150605-08

Initiating Discussions to Secure Funding for Métis Nation–Saskatchewan Elections

BE IT RESOLVED that given that Métis people value democracy and that democracy is the fundamental vision underlying the Métis Nation – Saskatchewan Constitution; and further,

Given that since 1976, the Métis Nation – Saskatchewan (MN-S) has held ballot-box elections in every Local and was the first such Aboriginal government in Canada to do so. Every election except for the last one, each MN-S Local was entitled to hold a ballot box to ensure the meaningful and democratic election of MN-S leadership by the grassroots people. It is incumbent on the Federal Government to ensure that the necessary resources are secured to carry out such an election. and that includes ensuring that a ballot box be established in every local;

As such, the Provincial Métis Council (PMC) Finance Committee shall immediately begin discussions with Canada, including Saskatchewan, to secure the necessary funding for the next MN-S election, based on such principles.
