

Office of the Provincial President

TO: Marlene Hansen, Secretary

FROM: Glen McCallum, President

SUBJECT: MANDATE as Minister of Local Relations and Community Governance

DATE: June 18, 2026

Dear Secretary Hansen,

Maarsii, thank you for agreeing to serve the Métis Nation–Saskatchewan (MN–S) as Minister of Local Relations and Community Governance. In 2025, our citizens elected a new government to stand up for our Métis citizens and to build a strong government that works for everyone. As members of this Provincial Métis Council, we must fulfill this mandate with purpose and force. We must meet a series of unprecedented challenges with a disciplined focus on core priorities. Our journey to self-determination and self-government is grounded in building a governance system that reflects our unique identity, culture, values, and languages. As representatives of this government, you must stay focused on who we are and how we build a government that reflects that. Our distinction-based plan sets the direction by creating delivery systems that are uniquely Métis while ensuring our work remains rooted in our identity as a people.

This mandate letter describes your responsibilities and priorities moving forward. As accountability and transparency are the cornerstones of good government, I am making these letters public, so all citizens are informed of how their government is working for them.

As Minister, your role is to support the President in building a Métis distinct government and advancing the implementation of our distinctions-based plan. You are not responsible for the day-to-day operations of Locals or Regional offices. Your role is to strengthen

relationships, support strong governance, and encourage the development of clear frameworks that enable Regions and Locals to serve citizens effectively.

Ministers are expected to carry out their responsibilities on behalf of the President, exercising delegated authority with accountability and transparency. A meeting process will be established to support coordinated decision-making and provide Ministers with regular opportunities to update colleagues on progress and emerging issues. Ministers will report back to the President through this process, ensuring alignment with our distinctions-based priorities.

Ministerial Responsibilities

I expect you to work constructively with all members of the PMC, MN–S staff, and citizens to deliver on the MN–S priorities. This includes advancing the collective priorities set out in our Distinctions Based Focus Plan (DBFP) which charts a Métis-distinct path forward for the MN–S government based on the priorities of Elders, citizens, and the PMC.

As Minister, you are responsible for the following areas:

- Serve as the lead ministerial point for strengthening relationships between MN–S government and Locals, supporting healthy two-way communication and trust;
- Provide support and guidance related to the development and implementation of the Locals Unit;
- Maintain a consistent, respectful engagement approach with Local leadership and citizens, ensuring Local voices and priorities inform MN–S planning and decision-making;
- Support the conditions for collaboration across Locals and Regions, including mechanisms to share best practices and strengthen coordination where appropriate;
- Provide strategic leadership for community governance development, including governance supports, guidance, and capacity-building that help Locals operate effectively and transparently;

- Support the development and modernization of community governance tools (e.g., policies, model bylaws/guidance, meeting and decision-making practices, records and reporting expectations), ensuring they are practical and culturally grounded;
- Work collaboratively with the Minister of Intergovernmental Affairs, to advance coordinated engagement with Indigenous, federal, provincial, and municipal governments.
- Regular reporting to myself as the President, MN–S, on the status of your ministerial responsibilities.

Priorities

In addition to the collective priorities in the Distinctions-Based Focus Plan, you will have specific ministerial priorities, which are outlined below:

- Promote citizen-centered engagement practices at the community level, ensuring Elders, youth, women, and vulnerable citizens can participate meaningfully in Local governance and community decision-making;
- Support the implementation of practical governance capacity supports for Locals (e.g. training, toolkits, templates/guidance, and peer learning opportunities);
- Support the implementation of a consistent approach for Locals to communicate priorities, risks, and opportunities to MN–S;
- Provide Locals with the guidance and support required to maintain compliance with constitutional and legislative requirements for Locals.
- Support the President in preparing your portfolio for MN–S Self-Government Agreement (treaty) implementation and in building a Metis distinct government.

Working Together

We must deliver for our citizens as we exercise our inherent right to self-determination, including our right of self-government. Achieving these objectives will require collaboration

and coordination with other ministers, as well as working closely with the Regions, Locals, and MN-S staff.

Ministers are expected to empower and support the public service to operationalize their vision through effective planning, clear direction, and disciplined execution aligned with DBFP principles. This includes fostering a respectful, professional partnership where public servants are enabled to apply their expertise to translate priorities into actionable programs and results. Ministers will rely on the public service as a trusted team of technical experts to design, implement, and continuously improve outcomes on behalf of MN-S.

In addressing the tasks before us, we must remain true to what makes us distinct as Métis people. Our identity, culture, values, and language: these things we must keep in mind as they direct our work. MN-S is a dynamic government that celebrates our Elders and our youth, cares for the most vulnerable among us, and strives for a better future for all citizens. If we work together, we can ensure a strong, healthy, vibrant future for all Métis in Saskatchewan.
